How did you hear about the workshop

What part do I sing? Check the ranges and part descriptions below to help you choose the part that suits you best.

Tenor - sings a harmony part, usually above the lead. Range from F above middle C to the A above the treble clef staff. This part requires a light clear tone and we limit numbers in this part.

Lead - sings the melody. Range from Bb below middle C to the E in the treble clef top space.

Baritone - completes the harmony by singing above or below the lead. Range from the A below middle C to the C in the third space of the treble clef.

Bass - sings the lowest part and provides the foundation to the music. Range from F or G below middle C to the G above.

The three harmony parts (baritone, bass and tenor) support the lead to ensure that the melody is easily recognised and that the group produces a unit sound in which no voice part stands out. If you are having trouble deciding what part to sing, choose more than one and we will place you according to the balance of the group. We limit numbers in the tenor part and ALWAYS need more basses.

YOUNG WOMEN IN HARMONY WORKSHOP – February 1-2, 2019

Music and learning tracks will go out to you as soon as we get your application. Please start working on the music as soon as you get it, so that you can come to the workshop with the notes and words memorized.

This year our director will be **Joey Minshall**, who is internationally known as an arranger of music, especially in the barbershop style. She is a wonderful educator who will bring a wealth of experience and education to the workshop along with a warm welcome to every singer.

Participants should plan to arrive at Langley Secondary (21405 - 56 Ave, across from the Langley Airport) by 6:45 pm on Friday February 1. A map and detailed schedule will be sent to you with your music.

The workshop runs from 7 - 9:30 on Friday, and from 9:30 am to 9:30 pm on Saturday. Lunch, dinner and snacks will be provided on Saturday for participants.

The Saturday evening show will feature the workshop chorus plus Westcoast Harmony Chorus and other special guests. If you sing with a quartet and want to perform on the show please let us know! Admission will be by donation and you should invite your fans to come cheer you on.
